Ladies and Gentlemen:

The undersigned acts as General Counsel to the Orange County Housing Finance Authority (the "Authority").

The Orange County Housing Finance Authority (the "OCHFA") is cancelling its December 2, 2020 meeting for lack of a quorum. The inability to obtain a quorum is based upon concerns by both the OCHFA volunteer board and its staff regarding their collective safety, the safety of their families, and the safety of the public and the professionals that regularly attend these meetings.

Fortunately, the OCHFA does not have any items requiring immediate action for its December 2, 2020 meeting and budgeted items will continue to be paid by the OCHFA.

The OCHFA, in consultation with its staff, will reevaluate the situation for its January 6, 2021 regular meeting dependent upon the state of the contagion and any changes in governmental direction.

Wishing all a Happy Thanksgiving and good health,

A handwritten signature in black ink, appearing to read "WSB", written in a cursive style.
